Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

JOINTLY DEVELOPED

The families, students, and staff worked together to develop the school-parent compact. **Teachers** met with their subject area teams to design practical strategies for parents to use at home. **Parents** provided valuable feedback on their needs to help their students. **Students** have expressed how they will take ownership of their learning.
